# Magnetic Pump Topper Price Signs

We are proud to introduce our newest line of Magnetic Pump Topper Price Signs. Our PTH line is the most durable and long lasting pump topper price sign of all our models. It has many new features such as an extruded middle section which acts as a wind channel allowing air to pass through without resistance against the sign. New wider base creates a lower center of gravity, keeping the sign firmly in place on top of the pump. Its heavy duty one-piece construction makes it extremely durable and sturdy. All our signs are powder-coated with an industrial baked enamel and an aluminum base to prevent rust or corrosion. Signs are affixed to the top of the pump with our industrial strength foam adhesive.

- ▶ All our signs are preprinted with numbers & guidelines for ease of use.
- ▶ Product Identifications are displayed with removable magnetic strips.
- ▶ All Signs are available with heavy duty .125" thick Plexiglas windows for added protection.

# Window Kits

Thick 1/8" thick Plexiglas Windows are available for all of our Horizontal Pump Topper Price Signs. These Window kits add an extra sleek clean look to our high quality signs. They help to prevent unauthorized persons from tampering with your signs as well as help to prevent the elements from wearing away the sign over long periods of time.

Lexan polycarbonate window kits are available for any of our Vertical Side Mount Pump Price Signs.

To order window kit on any sign please add "-WIN" to the end of any of our magnetic pump topper price sign part numbers.

## Magnetic Sign Overlays

All of our signs offer a flexible option of adding a magnetic overlay with a custom message. For example. Change a Cash/Credit sign to same price cash credit by adding a custom overlay.

DUE TO THE DIFFERENT LAYOUTS OF OUR SIGNS WE HAVE A WIDE VARIETY OF PRODUCT IDENTIFICATIONS. FOR MORE INFORMATION, PLEASE CALL OUR EXPERIENCED SALES STAFF.**

# Flipbook Pump Topper Price Signs

We are proud to offer a new line of our flipbook style price signs, in addition to our standard paper books, we have produced a special over laminated coating to protect our books from most weather conditions. Unlike many plastic books on the market, our books will not crack or chip under any circumstances while still resisting the elements. This is a great alternative to magnetic signs or the standard paper books.

# Custom Sign Banner Cover

We can make a custom cover banner to fit over an existing sign, so you can lace it together to completely cover the existing sign for a professional look. This is great for oil company conversions, temporary reconstructions or to display custom messages. These custom sign banner covers are extremely more durable and higher quality than traditional 'bag-type' covers sold by other manufacturers. These covers are also much easier to install and a much less chance of making measurement mistakes.

**Optional Side Flaps**  
**Note: Depth must be at least 4" to make side flaps. Flaps are sewn on to the sign cover banner.**

WE CAN PRINT ANY OIL COMPANY LOGO OR CUSTOM MESSAGE ON THESE BANNER COVERS.

# 2-Way Curb Sign

- ▶ Easy Mobility.
- ▶ Interchangeable Panels.
- ▶ All panels are 24" w x 36" h.
- ▶ Panels are made of .040 Heavy Gauge Aluminum.
- ▶ Rounded corners.
- ▶ Includes two grommets.
- ▶ All Panels Printed on Two-Sides.
- ▶ Attract Attention from a lost cost solution.
- ▶ Stand & Panels sold separately.

# Snaplock Frames

Coil springs resist strong winds and return the sign to an upright position

## WSF-1

## Curb Stand

- ▶ Our WSF-1 curb frame comes with a spring loaded base that can withstand winds up to 75 m.ph.
- ▶ The sign has a poster grip frame that holds interchangeable panels securely in place on all four sides.
- ▶ Changing panels takes only a matter of seconds.
- ▶ Two-sided (holds two signs per frame). Can accommodate coroplast, aluminum, styrene, acrylic, or any foamboard.  
Insert Size: 27.5" w x 43.5" h

## Curb Stand

- ▶ Our WSF-2 & WSF-3 curb frames are a great alternative to the WSF-1 when space is an issue. Springs connect the frame to the narrow base allowing sign to resist strong winds and return to upright position.
- ▶ The base can be filled with sand or water to make sure it stays upright.  
\*Base weighs 90 lbs. when filled with sand and 45 lbs. when filled with water.
- ▶ "Quick change" feature enables sign blanks to be changed in seconds and stay securely in place.  
\*Not a snaplock frame. WS-3 has an easy to load drop in feature. Panels are also held on the side with stainless steel clips.
- ▶ Sign can easily be rolled away with built in wheels and easy to grip handle at the top
- ▶ Molded-in tie down hole allows chaining or wiring the base, deterring theft.
- ▶ Attractive plastic frame design eliminates torn miters and jammed latches. Won't rust or splinter.
- ▶ Two-sided (holds two signs per frame). Can accommodate coroplast, aluminum, styrene, acrylic, or any foamboard.

## WSF-2 Curb Stands

Insert Size: 24" w x 36" h

## WSF-3 Curb Stands

Insert Size: 27.5" w x 43.5" h

Stay on top of your most current promotions with our easily to change snaplock frames!

**WSF-WALL**

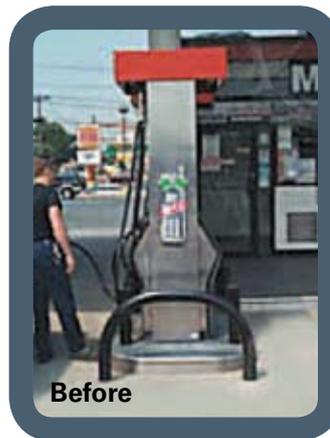

**Wall Mount**

- ▶ Our WSF-WALL wall mount can be mounted to virtually any flat surface.
  - ▶ The sign has a poster grip frame that holds interchangeable panels securely in place on all four sides.
  - ▶ Changing panels takes only a matter of seconds.
  - ▶ Single-sided (holds one sign per frame). Can accommodate coroplast, aluminum, styrene, acrylic, or any foamboard.
- Insert Size: 27.5" w x 43.5" h

**WSF-POLE**

**Pole Mount**

- ▶ Our WSF-POLE frame can be mounted to square or round poles. Includes all mounting hardware.
  - ▶ The sign has a poster grip frame that holds interchangeable panels securely in place on all four sides.
  - ▶ Changing panels takes only a matter of seconds.
  - ▶ Single-sided (holds one signs per frame, order Quantity 2 for a two-sided sign). Can accommodate coroplast, aluminum, styrene, acrylic, or any foamboard.
- Insert Size: 27.5" w x 43.5" h

**BB-1**

**Bollard Mount**

- ▶ Our BB-1 bollard mount can be mounted to almost any U-bollard or two single bollards.
  - ▶ The sign has a poster grip frame that holds interchangeable panels securely in place on all four sides.
  - ▶ Changing panels takes only a matter of seconds.
  - ▶ Single-sided (holds one sign per frame). Can accommodate coroplast, aluminum, styrene, acrylic, or any foamboard.
- Insert Size: 27.5" w x 43.5" h

See next pages for all available panels

## Static Electricity Decals

**Warning...**  
For Your Safety During Refueling

- No Smoking
- Turn Off Engine
- Cautions with Portable Containers
  - Static electrical sparks may ignite vapors.
  - Portable containers must be manufacturer approved for fuel use.
  - Containers must be placed on the ground.
  - Nozzle must stay in contact with the container.
- Switch Off All Electronic Devices, Including Cell Phones

ED-218 EMPRO Paterson, NJ

**ED-218**

4.5" x 3.5"

**Warning**

**Portable Container Fire Hazard**

Static electrical spark may ignite fuel vapors.

Portable containers approved for storing fuel must be placed on the ground and the nozzle must stay in contact with the container when filling to prevent build up and discharge of static electricity.

ED 220

**ED-220**

5" x 3"

**STATIC ELECTRIC SPARK EXPLOSION HAZARD**

**NEVER** fill portable containers that are in or on vehicle.

**NEVER** fill portable containers that are in or on vehicle.

**CAUTION !!!**

**Discharge Your Static Electricity Before Fueling:**  
Touch any metal on the car away from your vehicles fuel filler with bare hand. This will discharge static electricity on your body.

**Refueling Safety:**  
No Smoking. Turn off the Vehicle. Never allow children to refuel. Never have children in the vehicle during refueling. Never get back in the vehicle during refueling.

Discharge static every time you exit the vehicle and/or approach nozzle area.

**Filling Containers:**  
Use only approved containers. Always fill containers sitting on the ground, never in a vehicle or bed of a truck.

**In Case Of Fire:**  
DO NOT REMOVE NOZZLE FROM VEHICLE  
GET AWAY - Tell station attendant to Shut Off Fuel Pump  
If no attendant is on site, use the emergency Shut off button to stop fuel pump.

**Static May Cause Fire**

ED-222 EMPRO Paterson, NJ

**ED-222**

6" x 6"

**WARNING**

**Turn Off Cell Phones and Pagers**

**No Electronic Signals**

ED-223 EMPRO Paterson, NJ

**ED-223**

3" x 6"

**WARNING**

**Static Electricity Can Cause Fire By Igniting Fuel Vapors.**

To fuel safely, follow these precautions:

- Stay outside your vehicle and do not re-enter it during fueling.
- If you do re-enter your vehicle during fueling, touch a metal part of your vehicle with your bare hand before touching the pump nozzle.
- When dispensing fuel into a portable container, place the container on the ground. **CONTAINERS SHOULD NEVER BE FILLED WHILE INSIDE A VEHICLE OR IT'S TRUNK, THE BED OF A PICK-UP TRUCK, OR THE FLOOR OF A TRAILER.**
- Only store gasoline in state and federally approved containers.
- Only licensed drivers should pump fuel.

ED-224 EMPRO

**ED-224**

4" x 6"

**ALWAYS** place containers on ground.

Keep nozzle in contact with container while filling.

**WARNING**

A static electric spark can occur while filling portable containers sitting on truck bed liners or on any vehicle's carpeting or floor matting.

This spark will explosively ignite a gasoline vapor fire and cause **SERIOUS INJURY or DEATH.**

# Engraved Underground Storage Tank Identification Tag

This custom tag is made of .040 thick Brass material. It is engraved and back filled for long lasting use. It is customized for each one of your underground tags to meet New York State regulations. Tag comes with slotted holes for easy mounting around the riser pipe of tank. Tag measures. 6" w x 3" h. Please allow for 7-12 business days for us to customize your tag. Please specify all information when ordering.

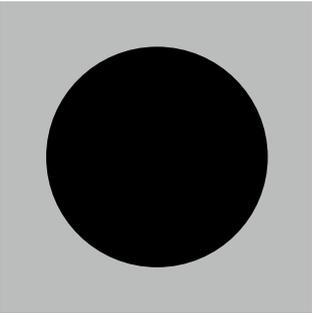

# Underground Storage Stencil Marketing Kit

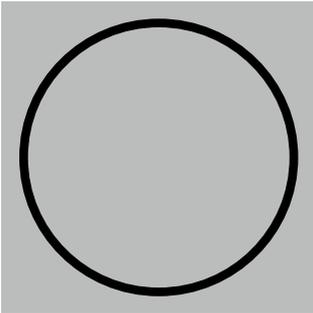

Many states require that the covers to the fill ports of an underground storage tank be marked with the appropriate A.P.I. color code for the product being stored. Our 7-piece stencil kit allows you to paint virtually any petroleum product's color code. Made of a high density polyethylene, these stencils are reusable over and over. Custom stencils and sizes are also available.

**SMK-1**

**7 Piece Stencil Kit**

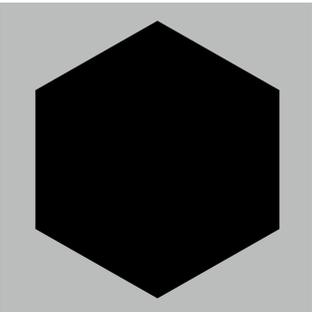

24" x 24" square with a cut out 17" diameter circle

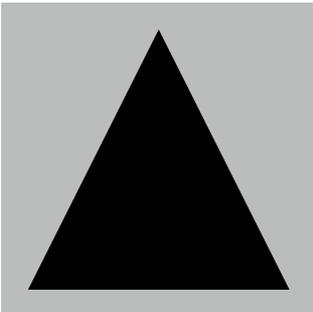

18" x 18" square with circular cuts at 16" diameter & 15" diameter

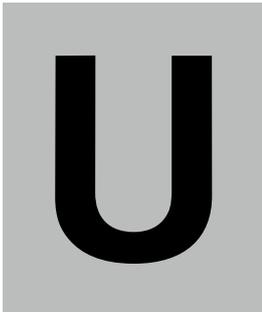

16" x 16" square with circular cuts at 13" diameter & 12" diameter. Also has a cross at 10" x 10".

18" x 18" square with a 14" x 16" hexagon

12" x 12" square with a 10" x 10" triangle

10" x 12" rectangle with a 10" x 6" letter U

14" x 7" rectangle with a 3" x 10" rectangle cut out

THE BLACK SECTIONS ON EACH  
STENCIL IS WHAT WILL BE PAINTED

# Pump & Tank Measuring Tools

These products help to keep your tanks & pumps up to code.

## 5 Gallon Calibration Test Can

**CC-3**

- ▶ Approved by Weights & Measures.
- ▶ Made of Stainless Steel
- ▶ Quickly & Accurately measure the output accuracy of your fuel dispenser

## 12 Foot Folding Tank Stick

**FTS-12**

- ▶ Measures up to 10.5'.
- ▶ Folds for convenient storage.
- ▶ Straight Tank Sticks also available upon request

## Modified Water Finding Paste

**WFP-1**

- ▶ 2.5oz tube.
- ▶ Water turns paste from dark brown to bright red.
- ▶ For use with gasoline containing ethanol.

## Water Finding Paste

**WFP-3**

- ▶ 3oz tube.
- ▶ Water turns paste from gold to bright red.

# D.O.T. Placards & Placarding Systems

## ► 110-DUOFLIP

- Change both PLACARDS and ID NUMBERS... with the versatile DUO-FLIP system.
- This DUO-FLIP system includes 5 placards panels in a single frame. Placards meet DOT specifications for transporting hazardous materials in bulk. The frames are constructed of corrosion resistant, fully formed rigid aluminum, Placard panels are made of aluminum alloy and mill roller coated with white acrylic paint baked at 400 degrees. Panels lock in place with four double riveted stainless steel clips. Duo-Flip's exclusive, deep-formed aluminum frame provides stability and excellent wind protection. The numerals flip easily to give you any combination of 4-digit numbers. The system includes placard of COMBUSTIBLE, FLAMMABLE, CORROSIVE, POISON, and one BLANK panel.

## ► 111-MULTIFLIP

- Flip placard system with placards including: 1203, 1270, 1223, & 1993.
- Made from heavy gauge aluminum- 4 double riveted stainless steel clips hold panels in place.
- Other legends including custom signs are available.

## ► 113-HOLDER

- Made of heavy duty aluminum, this Slide-In placard holder is an economical way to satisfy DOT requirements. Stainless Steel Clip holds placards securely in place.
- This holder easily accommodates METAL and RIGID VINYL placards.

# DOT Placards

These placards are required by **49CFR 172.322**. These placards measure 10.75"W x 10.75"H and are required for all highway, rail and water shipments. Available with imprinted numbers or with product names. Please specify what material, name or number, and hazardous class when ordering.

Here are examples of some of our stock DOT Placards

## Available in:

**Pressure Sensitive Vinyl:**

P/N 104-(name or number)

**Rigid Vinyl:**

P/N 106-(name or number)

**Aluminum:**

P/N 107-(name or number)

Example: 104-DOT-1993 would be a pressure sensitive vinyl decal

# Hazardous Waste & Right to Know Labels

## Hazardous Waste

\*Federal Regulations require the use of labels when offsite transportation of Hazardous Material is involved. Labels Comply with EPA/DOT Regulations. (Available in state specific labels as well)

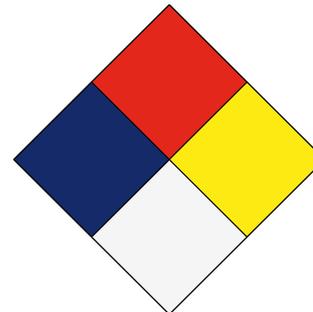

<b>HW-1</b>	6" w x 6" h	Pressure Sensitive Vinyl	25 Pack
<b>HW-10</b>	6" w x 6" h	Coated Paper	500 Piece Roll

<b>HW-2</b>	6" w x 6" h	Pressure Sensitive Vinyl	25 Pack
<b>HW-11</b>	6" w x 6" h	Coated Paper	500 Piece Roll

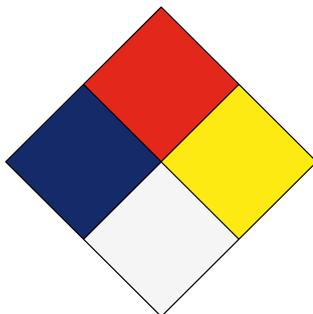

## NFPA

\*NFPA Hazardous Chemical Labels identify the degree of Health Hazard, Fire Hazard, Specific Hazard & Instability. Appropriate numbers are applied/written directly on the label to identify the class of hazards.

<b>HW-22</b>	2" w x 2" h	Coated Paper	250 Piece Roll
<b>HW-44</b>	4" w x 4" h	Coated Paper	250 Piece Roll

<b>HMS-4</b>	4" w x 4" h	Pressure Sensitive Vinyl	Individual
<b>HMS-10</b>	10" w x 10" h	Pressure Sensitive Vinyl	Individual
<b>HMS-15</b>	15" w x 15" h	Pressure Sensitive Vinyl	Individual

<b>NFPA-10A</b>	10" w x 10" h	Aluminum	Individual
<b>NFPA-10M</b>	10" w x 10" h	Magnetic	Individual
<b>NFPA-15A</b>	15" w x 15" h	Aluminum	Individual
<b>NFPA-15M</b>	15" w x 15" h	Magnetic	Individual

<b>HNU-#</b>	Pressure Sensitive Vinyl	Specify Desired Number
<b>Available in:</b>		2" h number for 4" decal
		4" h number for 10" decal
		6" h number for 15" decal

# Floor Logos & Mats

- ▶ Promote your brand by adding logo mats and custom decaling to your floors or walkways.
- ▶ We carry a wide variety of options to suit your needs.
- ▶ All mats are certified "slip-resistant" by the National Floor Safety Institute.

## Carpet Logo Mats

### LM-1

- ▶ Images are permanently dyed directly into a three-dimensional nylon carpet.
- ▶ Images will not wear over time.
- ▶ Carpets are treated with Perma-Dye™ stain stopper for long-term colorfastness.
- ▶ Designed for high traffic indoor applications.
- ▶ These mats are launderable and can be steam-cleaned.
- ▶ Industrial rubber backing is guaranteed to lay flat and will not crack or curl.

## Rubber Logo Mats

### LM-2

- ▶ Photo-Realistic images are created by molding a digitally printed thermoplastic material into a durable nitrile rubber surface.
- ▶ Impervious to sunlight, these mats perform beautifully in all environments.
- ▶ Anti-fatigue Mat.
- ▶ Textured Slip resistant top.
- ▶ Static-dissipative rubber is resistant to many oil and chemical products.
- ▶ Available in a .625" thick nitrile/PVC cushion.

## Rubber Scrapping Logo Mats

### LM-3

- ▶ Photo-Realistic images are created by molding a digitally printed thermoplastic material into a durable nitrile rubber surface.
- ▶ Impervious to sunlight, these mats perform beautifully in all environments.
- ▶ Static-dissipative rubber is resistant to many oil and chemical products.
- ▶ High-traction surface effectively removes and traps tough dirt, grime & water from shoes.

## Floor Logo Decals

### LM-4

- ▶ We have the facility to print virtually any style logo in any size that can be applied to smooth ground surfaces.
- ▶ Overlamine protects decal from being distorted.

Anti-Fatigue Mats and Scraper Mats also available without Logos

# Portable Product Merchandisers

- ▶ Functional Durable Service Items for all convenience store & service station needs.
- ▶ We carry a complete line of attractive, easy care products engineered for durability & versatility.
- ▶ Most products are maintenance free and are made of high density polyethylene or durable steel construction.

## Metal Oil Caddy

**505-OC**

24"W x 40"H x 19.5"D

- ▶ Holds up to 32 Quarts of Oil.
- ▶ Heavy duty 6" rubber wheels.
- ▶ Rust resistant baked enamel finish.

## Supermate Plus Oil Caddy

**511-24PL**

19.25"W x 35.75"H x 15.5"D

- ▶ Holds up to 36 Quarts of Oil.
- ▶ Molded in handles and built in wheels allows easy movement.

## Multi-Product Merchandiser

**512-MPM**

25"W x 40"H x 12"D

- ▶ Holds up to 65 Quarts of Oil or a variety of different products.
- ▶ Molded in handles and built in wheels allows easy movement.
- ▶ Available as special order only!

## Oil Merchandiser

**516-OILM**

21.75"W x 34"H x 16"D

- ▶ Holds up to 72 Quarts of Oil or a variety of different products.
- ▶ Two-Sided Unit. Display products on both sides.
- ▶ Adjustable shelves to utilize the space to your needs.
- ▶ Built in wheel kit allows for easy movement.

## Metal Versakart

**517-VER**

23"W x 37"H x 11.75"D

- ▶ Holds a variety of different products.
- ▶ Heavy duty 6" rubber wheels.
- ▶ Rust resistant baked enamel finish.

## Tiered Plastic Merchandiser

**530-TRD**

36"W x 24"H x 24"D

- ▶ Made of durable recycled plastic.
- ▶ Tiered Shelves for optimal visibility while holding a large variety of products.
- ▶ Heavy Duty lockable wheel kit.

# Stationary Product Merchandisers

- ▶ Made of Durable Recycled Plastic.
- ▶ Many different sizing options attracts customers with any open space
- ▶ We carry a complete line of attractive, easy care products engineered for durability & versatility.
- ▶ All items available with optional sign and/or wheel kit.
